FOR IMMEDIATE RELEASE

Lewinski Joins Universal Lighting Technologies As Region Sales Manager

NASHVILLE, Tenn. (October 22, 2002) – Universal Lighting Technologies, a leading manufacturer of electronic and magnetic lighting ballasts, recently hired Don Lewinski as the Region Sales Manager for the Northeast Region.

Lewinski has over 20 years of experience in the electrical lighting and ballast industry in a variety of sales positions. Lewinski will manage five sales agents and a large distribution network and his responsibilities include the sales and marketing of Universal's comprehensive ballast product line to distribution channel.

Lewinski received a bachelor's degree from Saint John Fisher College in Rochester, N.Y.

For more information about lighting ballasts and controls, fax your request to (615) 316-5146 or visit the Web site at www.universalballast.com.

For nearly six decades, Universal Lighting Technologies, Inc., has been bringing power and precision to the world's most innovative lighting. Headquartered in Nashville, Tenn., with operations and distribution worldwide, the products of Universal Lighting Technologies are marketed under the Universal® and Triad® brand names. Universal Lighting Technologies is focused on designing, manufacturing and distributing the industry's finest lighting ballasts and controls. Universal Lighting Technologies —*The Power to Light. The Power to Lead.*
