FOR IMMEDIATE RELEASE

LIGHTPOWER, INC., NAMED REP AGENCY FOR UNIVERSAL LIGHTING TECHNOLOGIES IN PUERTO RICO

NASHVILLE, Tenn. (July 24, 2012) – Universal Lighting Technologies has tapped LightPower, Inc., to serve as its sales representative agency in Puerto Rico. The Quebradillas-based agency will serve Universal Lighting Technologies’ distribution partners throughout the commonwealth, providing a comprehensive line of commercial lighting ballasts and controls, along with superior customer service and technical support for all customers.

LightPower is ready to meet its customers’ needs for high-efficiency linear fluorescent, compact fluorescent, HID, and e-HID ballasts from Universal Lighting Technologies, as well as state-of-the-art control systems, lamps, and lamp holders. The company is located at 241 San Justo Street, Quebradillas, Puerto Rico. For more information, please contact LightPower President Jose Carlo at (787) 895-6989.

For more information on Universal Lighting Technologies, visit www.unvlt.com.

Universal Lighting Technologies, Inc., produces some of the world’s most advanced linear fluorescent, compact fluorescent, HID, eHID, and LED solutions for commercial lighting applications, as well as the most cost-effective energy management systems in the lighting industry today. A global leader in research and development since 1947, Universal Lighting Technologies joined the Panasonic family of companies as a wholly owned subsidiary of Panasonic Corporation Eco Solutions Company in 2007. Today, the company manufactures and distributes products under the Universal®, Triad®, Panasonic, Vossloh-Schwabe, DCL®, DEMANDflex™, EVERLINE™, and Signa® brand names. *Universal Lighting Technologies — Energy Intelligence in Lighting.*
