FOR IMMEDIATE RELEASE

Lee Anne Zacharski Joins Universal Lighting Technologies *Regional Sales Manager Will Serve Southwestern Region*

NASHVILLE, Tenn. (Dec. 17, 2015) – Universal Lighting Technologies, Inc., a global leader in lighting and a member of the Panasonic Group, announces the addition of Lee Anne Zacharski as a regional sales manager for the southwestern region of the United States.

Zacharski joins the Universal distribution sales team boasting over 30 years of experience working in the electrical products industry in Southern California and surrounding markets. Most recently, she held a significant sales position in an automation and control products division.

“Having previously worked in key sales roles for other electrical products companies, Lee Anne offers comprehensive leadership skills for growing sales with electrical distributors,” according to Stu Sumner, regional vice president of the west coast region for Universal Lighting Technologies.

In her new position, Zacharski will provide dedicated, hands-on support to agents, distributors and end users in the region and will report to Sumner. She will develop, facilitate and optimize the sales strategy for Universal’s LED fixtures and comprehensive lighting products.

“At Universal, we are committed to building and maintaining relationships with our distributors in each market,” said Sumner. “Lee Anne’s commitment to this approach allows us to further strengthen relationships while continuing to provide the ease of doing business that our distributors appreciate about our organization.”
