**FOR IMMEDIATE RELEASE**

## **Les Ventes Futura Named New Agency for Universal Lighting Technologies**

**NASHVILLE, Tenn. (September 20, 2016)** – Les Ventes Futura has been named a new sales agency representing Universal Lighting Technologies, Inc., a member of the Panasonic family of companies. Les Ventes Futura will represent Universal Lighting in Quebec, Canada.

Based in Quebec and the Ottawa Valley, Les Ventes Futura provides residential, commercial and industrial lighting products. The agent represents more than 35 suppliers in the industry.

“The opportunity to be represented by a top agency like Les Ventes Futura in Quebec is a prominent next step towards Universal’s rapid market growth,” said Lazar Petrov, Vice President of Canadian Sales. “Having this enhanced support helps us to continue to strengthen our efforts in being an international leader in lighting technologies.”

As a representative for Universal Lighting Technologies, Les Ventes Futura will offer the full Universal Lighting inventory – from ballasts to LED solutions.

For more information on Universal Lighting Technologies Inc., visit [www.unvlt.com](http://www.unvlt.com).

### **About Panasonic Lighting Americas, Inc.**

Panasonic Lighting Americas, Inc., a subsidiary of the Panasonic Group, operates Universal Lighting Technologies, Inc. and Douglas Lighting Controls, two market leaders in the industry. Universal Lighting Technologies, based in Nashville, Tennessee, engineers LED solutions for commercial lighting applications as well as LED, linear fluorescent, compact fluorescent, HID, and eHID components. Douglas Lighting Controls, based in Vancouver, British Columbia, develops innovative controls systems and works to engineer energy-efficient, easy-to-install digital lighting-control solutions for commercial buildings, campuses and sports complexes throughout North America. Together, Douglas and Universal, provide customers with the most advanced lighting controls and LED components available today.
