FOR IMMEDIATE RELEASE

Universal Awards Agents of the Year at NEMRA Conference

Seven Top Agencies Recognized for Outstanding Success in Sales and Market Growth

NASHVILLE, Tenn. (Feb. 15, 2016) – Universal Lighting Technologies recently recognized its top agencies for 2015 at the National Electrical Manufacturers Representative Association (NEMRA) conference. Agencies acknowledged included Hawkins Sales, Yusen Associates, Bay Electrical Solutions, Empire Electric, United Electrical Sales, and Electri-Products Group.

“Over the last year, our agents have supported our entire portfolio of technologies, including our transition into the LED replacement arena,” said Joe Damiani, Executive Vice President of Universal. “We’ve achieved incremental growth in sales and had some significant marketing momentum in 2015 thanks to our agents’ strategic efforts, and we’re happy to be able to recognize their hard work.”

Four Top Agency awards and four Top Agent Representative awards were presented by Damiani. Joe Miezin accepted a Top Performance award and Top Agent award for Hawkins Sales; Willis Milner and Joe Hample accepted a Top Performance award for United Electrical Sales. Jamie Walker accepted an EVERLINE Agency of the Year award on behalf of Yusen, while Nick Hart of Yusen accepted a Top Agent award. Darren Gerrietts with Bay Electrical Solutions accepted the EVERLINE Agency award for Bay Electrical Solutions. Stephanie Mullaney of Empire Electric accepted a Top Agent award; Matt Wagoner with Electri-Products Group accepted a Marketing Support award.

NEMRA strives to be the global leader in promoting and developing independent representatives as an indispensable channel to market for the electrical industry. The association promotes and enhances the value of the independent representative to the electrical industry by strengthening sales, marketing and management skills.
