FOR IMMEDIATE RELEASE

Eric Schlechtweg Joins Universal Lighting Technologies’ Eastern Region to Spearhead Sales Growth

NASHVILLE, Tenn. (July 12, 2016) – Eric Schlechtweg will join the Universal Lighting Technologies, Inc. Eastern region sales team as a senior regional sales manager.

Operated by Panasonic Lighting Americas, Nashville, Tenn.-based Universal Lighting Technologies engineers and manufactures LED solutions for commercial lighting applications, as well as components for LED, linear fluorescent, compact fluorescent, HID and eHID lighting systems.

With more than 22 years of experience in the Electrical Products industry in the Northeast, Schlechtweg will support agents and electrical distributors based in Pennsylvania, New Jersey, Delaware and New York City. Schlechtweg will be based in King of Prussia, Penn.

“Eric’s broad experience and success working with major electrical distributors and manufacturer agents will be a key to success in his new role at Universal,” said Jeff Bristol, vice president of east coast sales for Universal Lighting Technologies. “Schlechtweg understands Universal’s mission to lead the fast-growing LED marketplace as well as our commitment to high efficiency replacement products.”

About Panasonic Lighting Americas, Inc.

Panasonic Lighting Americas, Inc., a subsidiary of the Panasonic Group, operates Universal Lighting Technologies, Inc. and Douglas Lighting Controls, two market leaders in the industry. Universal Lighting Technologies, based in Nashville, Tennessee, engineers LED solutions for commercial lighting applications as well as LED, linear fluorescent, compact fluorescent, HID, and eHID components. Douglas Lighting Controls, based in Vancouver, British Columbia, develops innovative controls systems and works to engineer energy-efficient, easy-to-install digital lighting-control solutions for commercial buildings, campuses and sports complexes throughout North America. Together, Douglas and Universal, provide customers with the most advanced lighting controls and LED components available today.
